

## Woodside, Barry

(1951-2019)

### Biographical and Other Notes

Born in Belfast. He had a degree and MSc in electrical engineering from Queen's University, Belfast. After a period at Short Brothers, in 1978 he moved to work for General Electric at Stone in Staffordshire.

He started collecting Irish tokens in the 1980s and studied the social history along with collecting Irish postcards. He corresponded with a large circle of Irish token collectors, publishing a catalogue of Irish tokens via Coins of Beeston in 1991 and created and maintained a web site listing and illustrating post 1800 Irish tokens, along with background research notes. He also produced interactive CDs of the listings.

Contributors to British Numismatics
