the last number of the *Journal*, and has done much besides to hold the Society together. The gratitude of the Society is due to Dr. E. C. Carter and Miss Farquhar, who have made donations to the funds of the Society.

**LIST OF MEMBERS AND BALANCE SHEET**

Owing to the need for economy it has been decided to omit from this part of the *Journal* the usual list of Members. The list for 1939 is to be found on pp. 387–94. N.B. “Dublin, Five” on p. 389 (bottom) should read “Dublin, Eire”.

The Balance Sheet for the year ending 31 October 1940 has regrettably been delayed: it will appear in the next Number.
