XIth International Numismatic Congress Brussels, September 8-12, 1991

The organizing committee is happy to announce that the XIth International Congress will be meeting from September 8-11, 1991 in Brussels. It will be held at the Palace of Congress in the center of the city and in proximity to the historical quarter and the important museums.

The opening meeting and the various sections are scheduled from Monday through Thursday, while the possibility for various excursions will be offered on Friday, 12th.

The committee hopes that this congress will provide the opportunity to exchange information about most recent scholarly contributions in all areas of numismatics and illustrate the relation to neighboring disciplines like archaeology and art history.

This congress coincides with the Centennial celebration of international numismatic congresses (the first was held in Brussels in 1891) and the 150th anniversary of the *Revue Belge de Numismatique et de Sigillographie*.

A complete program with logistical information will be distributed in 1990. It will be sent to all member institutions of the International Numismatic Commission and to anybody who wishes to receive it.

Those who wish to read a paper will receive a special notice at the appropriate time.

Inquiries should be addressed to: Miss Ghislaine Moucharte, secretary general of XIth International Numismatic Congress, Collège Erasme, Place Blaise Pascal, 1 B-1348 LOUVAIN-la-NEUVE (Belgium).

FAMOUS FOR THE SALE OF COINS & MEDALS

LHUS FY and well-beloved We greet you well. Whereas We have received information that those Soldiers which have been forward to serve Us in the Flanders hope are not looked upon according to their merited Valour and Loyall Service. We doe therefore require that from hence forward the Commanders chiefe both of Horse and Foot, which lead up the Fardome Impre upon whom the We most relye, especially in the Our Armyes favour, do signify in writing the names of those soldiers whom they find most forward in serving Us their King and Country, that we may be able to reward those defavours, and make them specially known to all Our good Subjects, for which end we have thought fit to require Sir William Paulin Knight, and Thomas Baskett Esquire, Wardens of Our Mint, to provide from time to time certain Balges of Silver, containing Our Royal Image, and that of Our dearest Sonne Prince Charles, to be delivered to wear on the breast of every man who shall be required under the hands of their Commanders in chiefesse here done at Flanders, in the Flanders hope. And we doe therefore most heartily commend, I haue thought fit to require, that any of Our Subjects presume to buy or wear any of these said Balges, other then they, to whom we shall give the same, and that under such paine and punishment as Our Council of Warre shall think fit to inflict, if any shall presume to offend against this Our Royal command. And We further require the said Commanders, and Wardens of Our Mint, to keep severall Registers of the names of those, and of their Country, to whom they shall give their Certificates. Given at Our Court at O x f o r d, the Eighteenth day of May 1643.
