Memories are made of this . . .

What better way to celebrate an important occasion than to give a present that will be treasured as a keepsake?

To find such a present can prove a daunting task but, amongst others, the Royal Mint offers three affordable options . . .

The 1994 Wedding Collection is a super present to mark a marriage; an ideal choice to celebrate a birth or a christening is the 1994 Baby Gift Set and the annual Brilliant Uncirculated Coin Set is perfect for any celebration.

The coins of all three sets are struck to the Royal Mint's gleaming Brilliant Uncirculated standard and each pack comprises the circulation coins of the realm, including the 1994 Tercentenary of the Bank of England £2, the new Scottish variant of the £1 coin and the 50p issued to mark the 50th anniversary of D-Day.
