Baldwin's
Established 1872

We are a highly experienced team of specialists who offer serious numismatists one to one advice on building their collections.

We cover Ancient Greek, Roman, Byzantine, English Hammered and Milled, Indian, Russian, Islamic, Italian Renaissance and South American coins together with Tokens, and Commemorative and Historical Medals of the world.

We have the most comprehensive stock in the country so call us, come to our offices or visit us online to add to your collection.

Baldwin's is also a well established auction house holding at least six sales a year in London, one in New York and two in Hong Kong.

All of our specialist areas are covered in our auctions as well as Bank Notes and Military Medals.

Whatever your collecting interest, get in touch. We’re confident we have something for you.

Who are we?
We are the national organisation which represents numismatic societies throughout the United Kingdom and we were founded in 1953.

What do we do?
We promote the study of numismatics by bringing these societies and their members together to share and increase their interest and expertise in coins, tokens, medals of all types and paper currency.

Who do we represent?
Currently we have 39 affiliated societies: Banbury & District, Bath & Bristol, Bexley, Birmingham, British (London), Cambridgeshire, Cleveland (Middlesbrough), Crewe & District, Derbyshire, Devon & Exeter, Essex (Chelmsford), Havering, Huddersfield, Ipswich, Ireland (Belfast and Dublin), Kent (Maidstone), Kingston-on-Thames, Lancashire & Cheshire (Manchester), London, Mid-Lanark, Norwich, Northampton, Nottinghamshire (Nottingham), Ormskirk & West Lancashire, Oxford, Oxford Phoenix (University), Plymouth, Reading, Romsey, Royal (London), St Albans & Hertfordshire, Southampton & District, South-East Hampshire (Havant), South Manchester (Heaton Norris), South Wales & Monmouthshire (Newport), Tyneside, Wessex (Bournemouth), Worthing & District and Yorkshire (Leeds).

What do we organise?
The annual BANS Congress, held in April, moves around the UK and Ireland and recent venues have included Dublin, Cwmbran, Worthing, Scarborough and Cambridge. The Congress will be staged in Southport in 2011 and Bournemouth in 2012. Our Autumn Weekend, normally held in September at a college of further education, is a more informal gathering with a specifically educational programme.

How can I find out more?
Simply log onto our website and we will put you in touch with your nearest numismatic society. If you are the Secretary or team leader of a BANS-affiliated society, send details of your programme to the BANS secretary, Phyllis Stoddart, for inclusion on our website. We will even provide a link to your own Society website.

Why not make a note of our Secretary’s contact details now?

A strong sense of humour seems to be a common characteristic of ancient British coins and the people who collect them and trade in them. There aren’t many of us, but we have a good time together. For a free copy of our monthly ‘comic’ (illustrated catalogue) phone 01263 735 007 or email liz@celticcoins.com. We’re still the only dealers in the world who deal only in Celtic and still the only ones who give you a double-your-money-back guarantee of authenticity. Members of BNTA & IAPN.
