Biographical and Other Notes

The last Seaby Coin and Medal Bulletin was issued in Jan/Feb 1991 and the company ceased trading around April. A brief history of the company can be found in the Editorial of Coin News, May 1991 page 11. Founded June 28, 1926 by Bert Seaby, Later joined and then managed by his son Peter Seaby. A significant proportion of Seaby employees started their careers in the company and continue independently today. This is an impressive gathering of names that appear in 'Contributors to British Numismatics'.

The reunion event, was hosted by Stephen Mitchell later in the year.
