Biographical and Other Notes

Born in Conwy, North Wales, with a resulting lifelong interest in Welsh history and tokens. He was principal of a firm of chartered accountants and a long-term Liberal Democrat. Started collecting 17th C Welsh tokens in 1973, then 19th C Welsh tokens, a few years later, specializing in Anglesey. He then diversified into 17th C tokens of other counties, building probably the largest collection of Hertfordshire. BNS and organized the 1998 and 2008 Token Congresses. He built a significant library of literature and sale catalogues relating to tokens – sold DNW 2010. Collections sold in 8 groups (thus far), starting 5 October 2011.
